

THE WHITE CRANE DRAW

The White Crane Draw is the Green Party's monthly draw – a chance for us to raise funds and for you to win up to £100!

A great way to support the Green Party – the funds raised from entries are split 50/50 between the Party and the prizes.

Win a top prize of £100 each month, plus runner-up prizes that depend on the number of people taking part – so the more players, the more prizes! Individuals and local parties can enter.

Entries cost just £2 each month and can be paid either by monthly standing order, or annually by cheque.

You can have more than one entry if you like – just increase the amounts on the form below.
Send completed forms to: Maggie James, WCD, 18 Burn Close, Addlestone, KT15 2PJ
